

Last Call: Apply for Humanities Emergency Relief Grants by May 26

Please [read the guidelines](#), help spread the word and apply by 11:59 p.m. May 26.

Last week, we announced that total grant funding for Iowa cultural organizations that have been hit hard by the Covid-19 pandemic will now exceed \$1.3 million, thanks in part to CARES Act funding through the National Endowment for the Arts and National Endowment for the Humanities.

With these new funds, the department re-opened the emergency relief grants to new applicants that serve Iowans through the humanities. The grants are intended to help sustain cultural projects, preserve jobs and keep the doors open at cultural organizations that boost the economy and creative life of communities statewide.
